Information :

CCTV

An aerial photograph of a warehouse complex and surrounding area. A red line outlines the perimeter of the warehouse and its immediate surroundings. Numerous yellow icons, representing CCTV cameras, are placed at various locations around the complex, including on buildings, along the perimeter, and in open areas. The map is overlaid with a grid of coordinate lines. The top-left corner contains a title block with a north arrow, a scale bar (0 to 36 meters), and a legend for the CCTV icon. The bottom-right corner contains a 'MAP INFORMATION' table with details about the survey.
